

MALES DANCE FREE PROGRAM

Ballet Guild of the Lehigh Valley, a nonprofit 501 (c) (3) organization, takes great pleasure in offering tuition-free weekly ballet classes for male students, ages 3 through 17, and would like to remind everyone of the specific obligations and courtesies which are expected of students enrolled in our dance program.

- Male students ages 3 to 17 (or through the completion of high school) are invited to enroll in weekly ballet classes at BGLV for no tuition cost. Community Division classes eligible for the Males Dance Free program include the following: Boys Ballet I & II, Pre-Ballet, Youth Ballet I, II, & III. Pre-Professional Division placement is by audition only; all weekly classes in the Pre-Professional required program of study are eligible for the Males Dance Free program. Uniforms, shoes, and any applicable registration fees are the responsibility of the student.
- Male students enrolled in the Community Division (Boys Ballet, Youth Ballet I, II, & III) are expected to audition for either or both *The Nutcracker* or our annual spring ballet. Pre-Professional students are expected to perform in all BGLV/PYB productions. Students will be responsible for paying any associated fees, including audition fee, costume fee, program fee, advertising fee, etc.
- Male students enrolled in a class are expected to attend and fully participate in the class. Those who do not attend and who do not give notice to the office of their intentions not to attend will forfeit their tuition-free status for any future classes at the Ballet Guild. *(Class sizes are kept low so each student receives the attention needed for a successful class experience—we appreciate your cooperation with this stipulation)*
- Tax-deductible donations are gladly accepted to help our nonprofit provide services to more students.
